

## Les balances 2

1) Les balances ci-dessous sont toutes à l'équilibre. Retrouve dans chaque cas la masse d'une boule.

 <p style="text-align: center;">● = .....</p>	 <p style="text-align: center;">● = .....</p>
 <p style="text-align: center;">● = .....</p>	 <p style="text-align: center;">● = .....</p>

2) Même exercice.

 <p style="text-align: center;">● = .....</p>	 <p style="text-align: center;">● = .....</p>
 <p style="text-align: center;">● = .....</p>	 <p style="text-align: center;">● = .....</p>
